ROUTING AND RECORD SHEET

INSTRUCTIONS: Use officer designations in the "TO" column. Number each comment to correspond with the number in the "TO" column. Draw a line across the sheet under each comment. Each officer should date and initial (check mark insufficient) before further routing. This Routing and Record sheet should NOT be removed from the attached RECORD document.

REF: EGSA-9428

1. Three weeks after we sent EGLA-23884 concerning (fnu) LUDWIG's approach to Subject, UPSWING informed us that LUDWIG is, after all, an UPSWINGER and not a representative of ODOPAL as suspected. This sorry example of uncoordinated effort on UPSWING's part should be brought to ODOPAL's attention with UPSWING's apology. We leave it to your judgement as to how to inform ODOPAL, but it's our guess that a reasonably casual approach is the best one. UPSWING's error which cannot and should not be varnished will be clear in any case.

2. Incidentally, this is but the latest example of an UPSWING tendency to see ODOPAL behind several actions not immediately clear to UPSWING Headquarters' Cart Staff. Even though we know ODOPAL sometimes is the answer to unsolved mysteries, we will use the LUDWIG example and others in the future to caution UPSWING against making insupportable assumptions. Please let ODOPAL know our position in this respect.
